A. Talent ID camp overview

1. Organization

All countries participating sent the number of invited athletes. A total of 6 countries (BIH, CRO, MKD, SWI, UKR, TUR) for 14 athletes racing K1W, C1W, K1M, C1M, C2M

- The average age is 19
- 64% male, 36% female

The organization committee booked accommodation at 20 min driving from the venue. A car and a van were rented for the daily transportation.

As it was done during the previous actions (2010 Worlds Juniors Slalom, 2011 World Cup Argentière, 2012 World Cup Pau, 2012 Worlds Seniors white-water sprint for Summer Tour), all expenses for paddlers were supported by French federation and organization committees.

The whole group is happy to thank the organization committee, the club of Bourg Saint Maurice and especially Cyril Nivel and Andrea Sensi from FFCK for their kindness and continuous availability.
