## FOREWORD

This year, the Austrian Canoe Federation together with the Slovak Canoe Association launched a new race Series: The Danube Cup. The races this year will take place from 27<sup>th</sup> to 29<sup>th</sup> of July in Bratislava and from 3<sup>rd</sup> to 5<sup>th</sup> of August in Vienna. Apart from medals in the individual competitions there will be

prize money awarded to the overall Danube Cup winners.

Strengthened by the success of the 2014 European Canoe Slalom Championships and the Wildwater Sprint World Championships 2015, the Austrian Canoe Federation together with the Vienna Watersports Arena powered by Wien Energie, want to establish themselves as a reliable host for future big events. The modern

performance centre of the Austrian Canoe Federation is located on the so called "Donauinsel", a long and narrow island in central Vienna next to the Danube.

To most visitors, the island is known as a recreational area with bars, restaurants, nightclubs and many sports opportunities. Recently Vienna has been rated for the ninth year in a row as the world's most "liveable" city and we warmly welcome the athletes and their teams to our beautiful city. Good luck for the races and best regards,

Herbert Preisl, President

## VENUE
