- CSL Competition bibs will be available from the Sport Information office between 10:00 - 17:00 on the Thursday 20<sup>th</sup> of June.
- A bib deposit of 100 euro per nation is required on collection of the bibs.
- CSL Competition bibs must be returned to the Sport Information office following the competition for the return of the deposit.
- The bibs are allocated in the following way:

<b>K1M</b>	Green-blue	<b>C1W</b>	Orange-blue
<b>K1W</b>	Red-blue	<b>C1M</b>	Blue

### B. Extreme Canoe Slalom Events

- For CSLX final phases bibs will be distributed in the start area on the left bank just before the start.

## 14. Canoe Slalom events – race information

### A. Pre start procedure

- There will be a clock facing upstream into the warm-up area showing the race time and the next athletes to start.

### B. Start

- The start is located on the river left below the hut.
- Athletes are asked to start in a stationary position facing down the stream holding the start platform.
- The beam line is located at 20m down the left channel.
- The location is marked by a 'Start' sign.
- At the start, there will be a countdown clock showing the time to start. There will be an acoustic signal (10 seconds before start - 4 shorts, 1 long - start).
- Athletes must start within 3 seconds of their start time.
- At all times, the athletes must follow the Starter's instruction or they may be disqualified for the run.

## C. Finish

- The finish beam is located 60m below "Niagara" on the second blue rail.
- The beam line will be appropriately indicated.
- Athletes must exit at bottom via the ramp at Equipment Control to pass through equipment control, kiss and cry and the mixed zone.
- Athletes must not leave the finish zone until dismissed by the Equipment Control Judge once they are no longer needed for the ceremonies, anti-doping or equipment control.
- During the finals, the leading athletes must proceed to the "Kiss and Cry" area located after equipment control where TV will interview them.
- There will be access to the broadcast feed in this area. If they drop out of the lead the new leaders will replace them.
- They then proceed via the mixed zone back to the Athlete area.

## 15. Extreme Canoe Slalom events – race information

### A. Final phases

#### Pre start procedure

- Athletes need to be at the start area 30 minutes prior to their heats to prepare their boats and receive their bibs and final instructions.
- Athletes may warm up in their own CSLX or slalom boat or a CSLX boat provided by the organiser
- Access to start ramp will be from the left bank (scaffolding)

## Start Procedure

- Athletes should be settled in the start position on the ramp 1.5 minutes before their start time.
- They should then listen to the sports presentation where they will be introduced to spectators.
- During this time, they should face the TV camera. At all times they should follow the starters instructions.
- The start position is with paddle in one hand to allow the athlete to push off to start.
- Boats will ~~not be~~ held at the start position

## Finish

- Finish line will be indicated on the course design map.
- After the finish please go to the dedicated area indicated on the course design map.
- Wait there for 30 secs to gather with other paddlers from your run (for TV) and then exit to kiss and cry zone – there will be someone to let you know if you were qualified for next phase.
- Please put the boat, spraydeck and bib on the trailer for return to the start.
- Helpers will collect the finals bibs at finish and bring them back to the start as quick as possible for the following heats.

## Rules reminder

### Gate negotiation

16.21.3 - The whole head and both shoulders of the athlete must cross the gate line in accordance with the correct side of the gate and the course plan.

### Safety rules

16.25.1 - Athletes are not permitted to push or hold back other athletes or kayaks with their hands or paddles.

16.25.2 - Kayak to kayak contact is permitted but athletes are not permitted to ram their boats into another athletes body.

16.25.3 - Athletes are not permitted to deliberately reach across another Athletes body with their paddle.

Priority is always given to the boat in front.

## 16. Technical Video Service – set up schedule

- The Technical Video Service will be available at the TVS room located adjacent to Equipment Control from 14.30 on Thursday 20 June 2019.
- Please ensure your team comes between 14.30 and 16.30 on Thursday 20 June 2019 to check their equipment with the signal.
- Remember: to ensure all the systems are working under full load, Teams need to be set up at least 30 minutes prior to the competition each day – even if you are not competing until the afternoon.
- During demonstration runs **only** full length will be filmed and distributed.
- Team members must stay outside the cameras view during the filming of demonstration runs.
- The TVS coordinator will define the switch positions between each camera after the full-length demonstration run in consultation with National Federations in the TVS room. Once decided this switch plan must remain the same during the relevant phase of the competition.

## 17. Athlete's video and photo for TV graphics and sport presentation

For the 2019 season, the ICF is planning to shoot a short video (8s without sound) of each athlete to be used during final phases.

To implement this, a video studio will be installed in the media tent. A detailed schedule will be sent to all team leaders with the list of athletes requested.

The ICF requests the outstanding athletes to attend this short shooting session (maximum 2 minutes) with the national uniform on Thursday following the provided schedule.
