ISLA DE LOS VOLCANES

2021

ICF CANOE OCEAN RACING WORLD CHAMPIONSHIPS

DEAR ATHLETES,

This has been a completely different year from what we expected; and as it seems, it is not over yet. The majority of us have had to overcome hindrances caused by this situation, and the world of sport, broadly speaking, has been severely affected by it. However, we do not stop believing and still working with tenacity so we can deliver the opportunity to all of you willing to compete this 2021, during these extraordinary times, and Lanzarote has been tested already with the "Lanzarote International Regatta", a selected event by the International Sailing Federation (ISAF) as a pre-Olympic continental qualifier in the FX, Nacra 17 and 49er classes. Where both Europe and Africa look for a quota for Tokyo 2020. On another note, the Island is hosting prestigious events as the Ironman Lanzarote, so we will have all tools and tested protocols to face World Championships with all due guarantees.

The Organising Committee of the 2021 ICF Canoe Ocean Racing World Championships sets to organise a safe and top tier event, with our experience of organising the four previous editions of the Atlantic Ocean Surfski Lanzarote, we will provide the best and safest conditions for the development of this World Championships.

I wish you all good health, mi best wishes and hope to meet you in Lanzarote in July!

Kind regards,

José María García Riobos

Executive Director of the 2021 ICF Canoe Ocean Racing World Championships

8- RACE VENUE

The Islote de la Fermina is an iconic landmark of the Island of Lanzarote. Designed in the early 1970's by the local artist Cesar Manrique, alongside the Parque Islas Canarias these will be the main race HQ and location of the event itself. Both locations are in the heart of the Marina and City of Arrecife with hotels, restaurants, and bars as well as other services within short walking distances. The finish line area (el Reducto beach) will be next to the race HQ so everything will be well located.

At the race Headquarters you will find the following services :

- Reception desk area
- Accreditation area
- Parking for trailers
- Boat storage area
- Cafe
- VIP area
- Security
- Medical Centre
- Media and Press Area
- Underground parking
- Stage
- Selling stands
- WC Y Showers

We will also count on Arrieta beach as another of the race locations.

In this location you'll find the following services

- Parking for trailers
- Parking
- Medical Centre
