

4.-9. 6. 2024 | Prague, Czech Republic

Information Bulletin

Dear Sports Friends,

Czech Canoe Union is pleased to invite you to take part at the 2024 ICF Canoe Slalom World Cup and the Olympic Qualifier in Kayak Cross that will be held in Prague - Troja, Czech Republic from 6th to 9th June 2024.

We are extremely excited to host another event even in this difficult period. Having proven high-level experience from organizing the top world competitions accompanied by a very high degree of media exposure, the Czech Canoe Union is ready to prepare and conduct the 2024 ICF Canoe Slalom World Cup.

In past years we have delivered many successful international events – just mention the 2013 ICF Canoe Slalom World Championships which was a great contribution to the 100th anniversary of the Czech Canoe Union, the 2018 and 2020 ECA Canoe Slalom European Championships, and the 2019 ICF Canoe Slalom World Cup Final and 2019 ICF Extreme Canoe Slalom World Championships.

Czech canoeing is ready to welcome all national teams for the training and the competition and we hope that this event held on the artificial slalom course in Prague - Troja will bring a lot of unforgettable moments of the 2024 season. We are looking forward to seeing you in Prague.

Here we are presenting a summary of the most important information. More information regarding this event can be found:

General Information about the Czech Republic and Prague

Prague - Troja, Czech Republic

Prague is the capital of the Czech Republic. It has an area of 496 km² and is home to 1,200,000 people. The year 870, when Prague castle was established, is regarded as the beginning of the city's existence. However, people inhabited the area in the early Stone Age. In 1918, at the end of World War I, Prague was declared the capital of a new country – the Czechoslovak Republic. In 1993 it became the capital of an independent Czech Republic. Prague is situated in the heart of Europe – approximately 600km from the Baltic, 700km from the North Sea and 700km from the Adriatic. Prague is not a huge distance from other central European cities. Vienna is 300 km away, Bratislava 320 km, Berlin 350 km, Budapest 550 km, Warsaw 630 km and Copenhagen 750 km.

The River Vltava flows through Prague for 31 km, and at its widest measures 330 m. The Vltava has created some interesting places in Prague – islands and meanders, providing many idyllic scenes.

Prague, the nation's capital, is the centre of political, economic, and sport activity in the Czech Republic. Prague magical history, beautiful architecture, and culture attract millions of visitors to the city each year. The concert halls, theatres, clubs, and restaurants will provide the participants of the 2013 World Championships with a lifelong memory.

Area: 496 square kilometers

Number of the population: 1 285 995 (12/2009)

Geographic location: (centre of a town) 50°05'19" N, 14°25'17" N

Time zone: Czech Republic is in the Central European Time Zone. Central European Standard Time (CET) is 1 hour ahead of Greenwich Mean Time (GMT+1). Like most states in Europe, Summer (Daylight-Saving) Time is observed in the Czech Republic, where the time is shifted forward by 1 hour; 2 hours ahead of Greenwich Mean Time (GMT+2). After the Summer months, the time in the Czech Republic is shifted back by 1 hour to Central European Time (CET) or (GMT+1)

Average altitude: 235 m above the sea

Climate: average temperature is 9°C, during summer months 19°C, during winter months -0,9°C

Electricity: 230 V

Telephones: The international dialling code for the Czech Republic is +420 (or 00 420). When calling from abroad this must be dialed first followed by the 9-digit number. Emergency calls in Czech Republic 112 (can be called free of charge from mobiles even without a SIM card inserted).

Language: The only official language in the Czech Republic is Czech, which is spoken by 96 % of the population. However, have no fear, as especially in larger cities you can make yourself understood in English relatively easily.

Internet: The Czech Republic enjoys good internet connections, so you will not have problems getting online by quick broadband lines or Wi-Fi networks.

Money: The currency used in the Czech Republic is the Czech crown which has the international abbreviation CZK.

Healthcare: Private and state healthcare facilities operate in the Czech Republic. The majority of them have agreements with the State Health Insurance Company on the provision and payment of healthcare.

Arriving in the Czech Republic, Customs and Airports

The Czech Republic became a member of the EU in 2004. There are different rules for citizens of other EU member countries than for tourists from other parts of the world. Everyone must carry ID at all times.

Customs quotas and regulations: When bringing goods into the Czech Republic there are limits set on certain commodities. If a certain amount is exceeded, duty must be paid, and the importer is required to inform customs of the amount of the commodity he or she is bringing into the country.

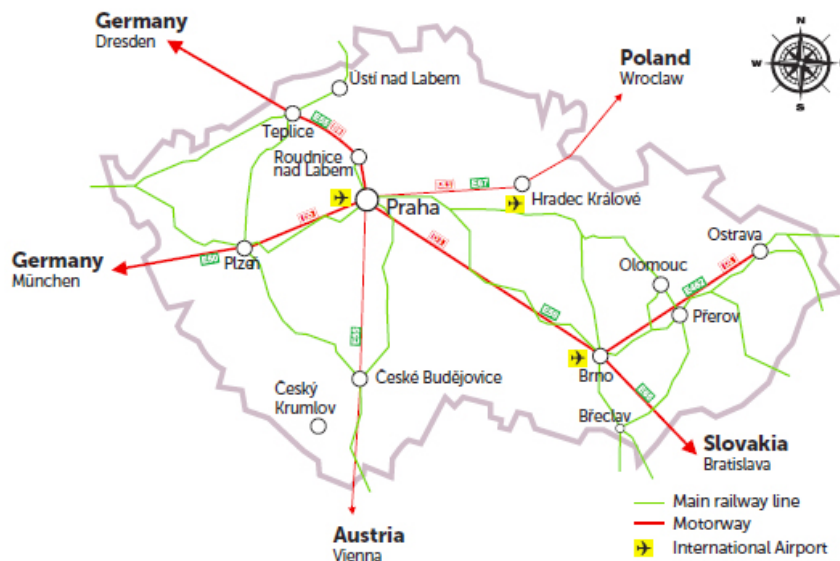

Embassies and consulates: You can access assistance in difficult situations from your country's embassy. Embassies are always located in the capital of the Czech Republic, Prague, and a complete list can be found on the Ministry for Foreign Affairs website.

ICF ONLINE ENTRIES & ACCREDITATION SYSTEM - SDP

PRINCIPLES

Entries and accreditation requests must be made by the National Federation using the ICF's online entries system (SDP): <https://icf.msl.es/icf/icf.jsp>.

For detailed instructions on how to submit entries, please read the SDP user guide. Any questions or issues relating to entries or accreditation should be sent to sdp@canoeicf.com prior to the respective deadline.

SDP user guide http://www.canoeicf.com/sites/default/files/nf_userguide_v2.2.pdf

NOMINAL ENTRIES

Nominal entries close: **26th May 2024**

Each athlete competing must be entered by name.

Team personnel must also be submitted for accreditation at this time. These entries will be used to produce the accreditation cards for all teams.

REMINDER

Entries or accreditation requests sent directly to the committee, or the competition organiser will NOT be accepted.

ANTI-DOPING EDUCATION PROGRAM

All athletes, coaches, and support personnel must have completed the relevant anti-doping online course on the WADA Anti-Doping Education Learning platform (ADEL) corresponding to their role. The certificates showing completion should be sent by each National Federation to suenatoli@gmail.com. Previous certificates are still valid for this season. There is no need to repeat the program unless the person's role changes (e.g. athlete becomes a coach).

Accreditations will not be issued until the certificates are marked off.
More information at: <https://www.canoeicf.com/anti-doping-education>.
