I. 2025 ICF Ranking Competitions

The competitions in the 2025 Canoe Slalom ICF Ranking calendar (see Appendix 1) must follow the [ICF operational requirements](#) based on their ICF competition level (1,2 or 3).

Remark: the ICF Canoe Slalom Committee limits each Federation to hosting no more than two world ranking competitions (level 3) within their continental territory in any calendar year

II. Entries for ICF Competition level 3

Entries are open without limitation of the number of Athletes per event and per federation. However, the Host National Federation can limit the number of Athletes per event per Federation to not less than 6 per event. This must be recorded on the calendar when the entries open on SDP and included in the 1st information bulletin. Two weeks before the closing deadline, the limit will be reviewed and may be extended.

This rule means that:

- Each participating Athlete will gain World Ranking points.
- National Federations must do entries through the ICF online entries system (SDP).
