## Re: Eligibility request for change of sporting nationality

The ICF acknowledges the following requests for a change of sporting nationality for the athletes below. All approved athletes in this table are eligible to represent their new country from 1 January 2025. All athletes who have had their request rejected are eligible to continue competing for their former country. Another application can be submitted at the end of 2025 if the required documents are available at this time.

IOC sporting nationality change for the Olympic Games follows stricter rules than ICF sporting nationality change. Please contact the ICF for further advice.
