The Organising Committee

PRESIDENT'S WORDS

For many years, the French Canoe Federation gained a lot of competences in hosting international competitions of great quality. The history in Pau began in 2009 with the ICF Canoe Slalom World Cup at the new inaugurated Whitewater stadium of Pau-Pyrénées. Then, it never ends to confirm the trust the international governing bodies of canoeing put in the Pau Organising Committee and in the French Canoe Federation.

Building on the success of the previous World Cups organized in 2015, 2016, 2020, 2021 the World Championship in 2017, and the European Championship in 2019, the city of Pau is keen to prepare a magnificent program with the greatest athletes in the world.

Building on the success of the ICF 2021 World Cup organized at the end of the covid and which had made it possible to see a large audience again at the river bank of the whitewater stadium to follow this competition, the French Federation of Canoe Kayak and the Community of Agglomeration Pau Béarn Pyrénées join forces with the same enthusiasm and passion to organize the 2022 ICF World Cup.

We hope to see you soon in Pau!

Jean ZOUNGRANA,
French Canoe Federation President

François BAYROU,
Mayor of Pau
