# 02 – WELCOME

---

Dear Athletes,

15 years after the World Championships in 2010, the city of Foix has been chosen to host this worldwide event once again. From the 9th to the 13th of July 2025, the count city will be the theatre of the World Championships for the second time in his history. We are honoured by this choice.

Nestled in the heart of the Ariège Pyrénées, the natural basin of Rebech has been the focus of a lot of development over the last 15 years, to be more welcoming, more pleasant but above all, we made it even more demanding.

Since many months, we are working to optimise the reception of all competitors, staffs, familys and supporters. More than 1 500 visitors are expected, on the largest natural basin in the Pyrénées.

Ariège is used to welcome big events. A real land of sport, we are used to see the legends of Tour de France. We look forward to welcoming you, and to being part of the great history of canoe-kayak, a sport we are so passionate about.

This championships will be marked by the values of sport and humanism that we carry every day. Sports, cultural and family events... we hope this will be an unforgettable fortnight for all of us. See you in Foix !

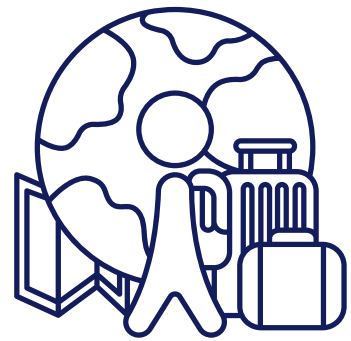

**Marine Bordes**  
*Mayor of Foix*

**Fabien Guichou**  
*Deputy of the Mayor of Foix in charge of Sports,
