BULLETIN #1

# 2026 CANOE SLALOM ASIAN GAMES TEST EVENT

## WELCOME MESSAGE

### President of the Japan Canoe Federation

Distinguished Athletes, Coaches, Officials, and Guests,

On behalf of the Japan Canoe Federation, I would like to extend a heartfelt welcome to all participants traveling from across Asia and around the world to Japan.

Japan successfully hosted the Tokyo 2020 Olympic Games in 2021 and, in 2023, organized the Canoe Slalom Asian Championships, which also served as the Asian Qualifiers for Paris 2024.

In September 2026, Japan will proudly host the Asian Games for the first time in 32 years at the Yahagigawa Canoe Slalom Course in Toyota City, Aichi Prefecture. Aichi is home to Toyota Motor Corporation and is a major industrial hub in Japan, but it is also one of the most active regions for canoeing in the country. In 1994, the ICF Canoe Slalom World Cup was held at the same venue.

This test event is an important opportunity for athletes and officials to familiarize themselves with the venue and for us to ensure that all operational aspects are ready for the Games.

We sincerely hope that many of you will join us to make this Games a great success.

We look forward to welcoming you and sharing an unforgettable experience through the power of sport.

Best regards,

**OHNO Masaji**  
President of the Japan Canoe Federation  
Vice President of the Asian Canoe Confederation

On behalf of the Aichi Canoe Association, it is my great pleasure and honor to welcome you all to the 2026 ICF CANOE SLALOM WORLD RANKING – TOYOTA OPEN, held here at the beautiful Yahagigawa Canoe Slalom Course.

This event serves as an important test event for the upcoming 20th Asian Games Aichi-Nagoya 2026, and we are proud to host athletes and officials from across Asia and beyond. It is a wonderful opportunity not only to showcase the sport of canoe slalom, but also to strengthen international friendship and cooperation through sport.

Aichi Prefecture has a long-standing tradition of promoting canoe sports, and our association has worked tirelessly to support athletes, develop young talent, and ensure the highest standards of competition. We are deeply grateful to the organizing committee, volunteers, and local communities for their dedication and support in making this event possible.

We hope that all participants will enjoy the competition, experience the warm hospitality of Aichi and Toyota, and take home unforgettable memories. May this event be a stepping stone toward excellence at the Asian Games and beyond.

Once again, welcome to Aichi. We wish you all the best in your races and a successful and inspiring stay.
