

# CV | PAWEŁ TELEMAN

*I have been associated with canoeing since 1992, when I started training in sprint canoeing at the Wiskord Szczecin Sports Club. As a competitor, I repeatedly stood on the podium of the Polish Championship in the youth and junior categories, in the years 1999-2001 I was a member of the Polish National Canoe Team "Ateny 2004". I am a graduate of the Sports Championship School in Wałcz. I started working as a canoeing coach in a Wiskord Szczecin Sports Club in 2003, where I worked until 2012. Starting from 2012, I have been continuing my coaching work, combining me with the vice-president and manager in the Students Sports Club Olimpijczyk Kliniska. Over the years my players have been in the forefront of the Polish Championships, competing in kayak sprint or canoe polo. In 2019 I took the position of the coach of the Polish Men's Canoe Polo team, with which we took fourth place during the Coimbra European Championships 2019. I try to be professional at work, respecting and supporting my colleagues.*
