Continents by the Supported NFs

THE OBJECTIVES OF THE ICF DEVELOPMENT PROGRAMME 2012-2014

- INCREASE THE PERFORMANCE LEVEL OF ATHLETES**
- IMPROVE THE STANDARD OF COACHES**
- SUPPORT TO CANOEING EVENTS AND DEVELOPING NATIONAL FEDERATIONS LOGISTICALLY AND FINANCIALLY**

THE PRINCIPAL TARGETS OF THE DEVELOPMENT PROGRAMME

- The continuity of the Talent Identification Programme (TIP)
- **The continuity of the Coaches' Education Programme by organizing technical courses and seminars at various levels**
- Support the development of Paracanoeing by encouraging the participation of Paracanoeists at National, Continental and World Events, as preparation towards the 2016 Rio Paralympic Games
- **Support the development of the Women's Canoe category and their participation in National, Continental and World Events**
- Support ICF's new member National Federations and affiliated organizations, as well as Canoeing's developing NFs with equipment and technical courses
- **Provide logistical and financial support to host National Federations and/or organizers of Canoeing Games and/or Championships**
- Support the special development targets of the Continental Associations
