

ICF SUSTENABLE DEVELOPMENT PROGRAMME

INTRODUCTION

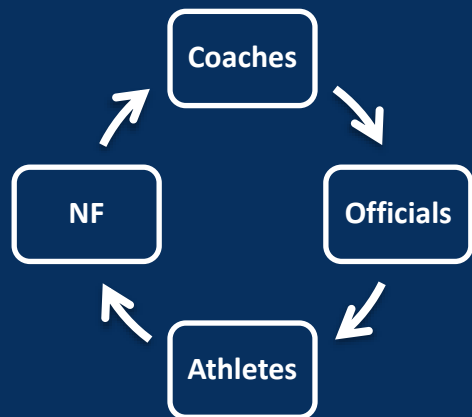

An important part of the International Canoe Federation's global vision is the development programme, with a plan to introduce canoeing to new communities and assist in the sport's growth in developing federations.

The ICF's programme is has access to world-class, experienced coaches, and also benefits from the generous support of several federation's equipment and sponsors; furthermore provide a educational to the coaches and support the best athletes of the development nations.

Equipment Donation System

5 containers to deliver in 2023

- The main issue is the transport cost.
- Discussions to obtain transport free of charge.

- Selection of the NFs according with policy available at the ICF website.

Equipment Donation System

ICF Development Manager follows the process from the beginning to the delivery out of the customs.

• **NFs Responsibility:**

- Request the equipment to the Continents.
- Send the specifications according the Development strategy.
- Pay the shipping costs if ICF cannot find a partner.
- Guarantee letters for free import taxes and custom clearance.
- Provide a location and secure material storage.
- Provide a local person responsible for the equipment.
- Send to ICF/Continents a delivery report and photos of the equipment in use.

- **ICF responsibility:**

- Confirm if the material is available and contact the suppliers.
- Organize the transportation.

- **Suppliers / Partners:**

- Send the transportation invoice;
- Send the equipment according the specifications requested;
- Confirm the delivery.

Domestic Boat Production

PHASE 1:

PRODUCE 60 BOATS (30 kayaks and 30 canoes)

PHASE 2 (NGR and MAR):

CONTINUE PRODUCING BOATS TO THE LOCAL MARKET AND NEIGHBOURING COUNTRIES

IOC Refugee Policy – Human Rights

ICF implemented the IOC Policy

- ICF competition's entries, supports the IOC during the OG and PG on technical aspects.
- Cooperates with the NF of the refugee.
- Secures the participation of the refugee on the TIP camps.

Facilitate the access to the Olympic Solidarity Programs.

- **Design actions plans for regional development – NFs:**
 - **Information and permanent communication IOC / ICF.**
 - **Planification.**
 - **Action plans.**
 - **Follow-up.**
 - **Reports.**

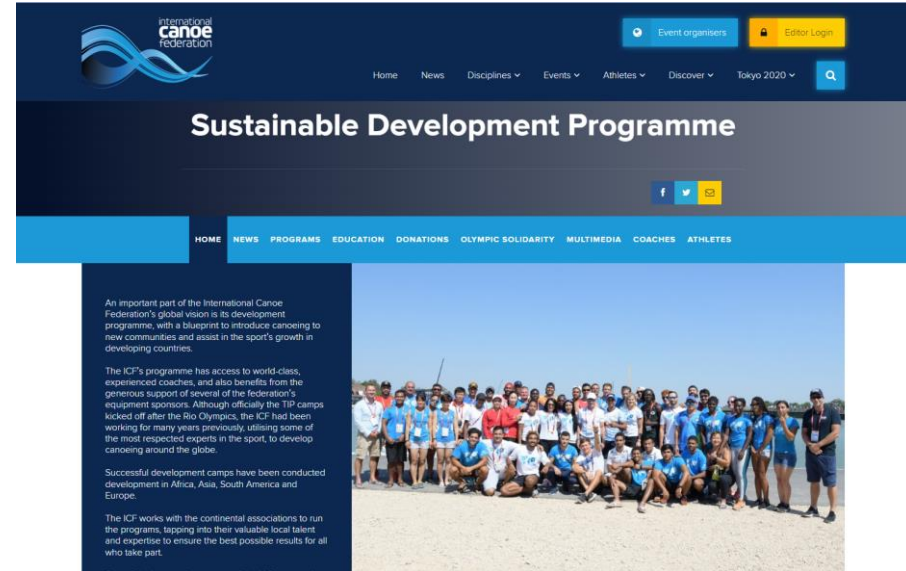

Continental Development Manager

- **Project Pilot in Egypt:**
 - Launched in 11th August 2022.
 - Help to develop the National Sport Structure
 - Improve the number:
 - Athletes, coaches, officials and clubs affiliated.
 - Develop sustainable long term development.
- **Nigeria will start on January 2023.**

Sustainable Development Programme Webpage

- **Update of Development Programme section on the ICF webpage.**
- **Educational section with videos and canoe books to download.**
- **IPP project.**
- **New area to the coaches' course level 3.**

<https://www.canoeicf.com/development/current-programs>

The Continental Associations and NFs are requested to participate at the sustainability actions in support of the S4CA commitment.

- Integrate all development strategy and plans.
 - On going with the Continental Associations – FFF ✓
- Standard reports for all disciplines.
 - Implemented ✓
- Development of an Education platform (budget required).
 - On preliminary discussion
- Available technology (GoPro, GPS). ✓
 - Pilot project started with Nigerian athlete. ✓
- Strengthen the relationship between NFs and NOC / NPC ✓
- Apply to the IOC / OS funding through the NOCs ✓

Thank you very much!
