remarkable St. Martin's Cathedral. This Gothic Cathedral witnessed the coronation of 19 Austro-Hungarian kings and queens, including Maria Theresa, whose importance was felt throughout Europe. The Main Square, extremely rich in historical and cultural monuments, draws visitors in with its charming atmosphere. Here, you can also find several palaces, the Bratislava City Museum, the Old Town Hall, and Roland's Fountain, all serving to enrich the atmosphere. Visit the Primate's Palace, with precious English tapestries from the 17th century and beautiful displays in its Art Gallery. We must mention the nearby Blue Church, an Art Nouveau gem with blue plaster and roof. For sightseeing in Bratislava, you can also hop on the small historical train and explore the entire city, beginning from the Castle and ending in the streets of the Old Town. This train runs throughout the year. On the right bank of the Danube, relax in the oldest public park in Central Europe called Sad Janka Kráľa, which was founded by Maria Theresa. At the end of the park, you will see the suspension Bridge of Slovak National Uprising, whose UFO café offers amazing views of the city's surroundings. Enjoy a trip down the Danube on a sightseeing boat. You can choose from among several different routes, like a cruise around Bratislava, one up to Devín, a cruise on the other side to Gabčíkovo and much more.

## 1.5 LOCATION OF AIRPORTS, RAIL NETWORK AND ROADS TO THE VENUE / CITY

City is well connected with neighboring capitals and international airports by international highways.

### **BY ROAD**

Bratislava is situated directly on country borders with Czech Republic, Austria and Hungary. Bratislava is well connected to neighboring capitals by international multilane highways. Within Slovakia, the D1 motorway connects Bratislava to the east of the country (direction Kosice, Krakow), the D2 motorway connects Bratislava with Hungary to the south and the Czech Republic to the north and D4 motorway connects Bratislava with Vienna.

### **BY AIR**

If you want to fly to Bratislava, you can choose between the city's own international airport and Schwechat airport in Vienna, which is about 45 km from Bratislava and connected by regular shuttle buses. Regular flights link these airports with many major European destinations.

Vienna International Airport (VIE) [www.viennaairport.com](http://www.viennaairport.com)

Bratislava Airport (BTS) [www.bts.aero](http://www.bts.aero)

### **BY TRAIN**

International trains to Bratislava's main railway station run from Vienna (1 hour), Budapest (3 hours), and Prague (4-5 hours) several times a day. There are less frequent direct connections to Berlin, Bucharest, Kiev, Moscow and Warsaw.

The main railway station is a short distance from the centre and there is a good connection to city public transport; alternatively, walking takes 15-20 minutes. Trains from Vienna also arrive at Bratislava–Petržalka Station, which is to the south of the city centre across the Danube River.

## BY BOAT

Perhaps the nicest way to arrive in Bratislava is by riverboat, via the Danube. The Rhine–Main– Danube Canal links Bratislava with the North Sea; the Danube River connects it to the Black Sea. Cruises along the Danube have been a big hit with tourists for many years. River cruises go to and from Budapest, and a scheduled passenger service, the Twin City Liner, connects Bratislava and Vienna by high-speed catamaran several times a day during summer.

## 6 IMMIGRATION / VISA REQUIREMENTS

### 6.1 VISA REQUIREMENTS

The HOC will assist in processing Immigration visa applications for all participants of the World Cup.

Foreign nationals who are subject to visa requirement and want to enter the Schengen area, with Slovakia being their target destination, must file a visa application with the competent Slovak embassy or consulate general. Foreign nationals legally residing in a third country (i.e. other than the country of their citizenship) may apply for a visa at the embassy/consulate general competent for the country of their current residence.

#### **Type C Schengen visa: entry visa**

The visa entitles its holder to enter and stay in the Schengen area for not more than a total of 90 days within a six-month period subsequent to the date of the first entry. This visa may be issued for one or several entries (single entry and multiple entry visa).

The visa application procedure may be lengthy in some cases. Therefore, you should file your application well in advance, but not sooner than three months prior to your planned trip. Under the applicable law, the visa application procedure shall not take longer than 15 days, in exceptional cases the decision may take up to 60 days. Exemptions apply to the nationals of the third countries which have signed Community-level visa facilitation agreements. Such countries include Albania, Bosnia and Herzegovina, Montenegro, Macedonia, Moldova, the Russian Federation, Serbia, Georgia and Ukraine. With respect to the nationals of the aforementioned countries, the decision must be delivered within 10 calendar days of the delivery of a completed visa application. Nationals of Macedonia, Montenegro and Serbia don't need visa, if they are holders of biometric passports.
