ICF INTERNATIONAL TECHNICAL OFFICIAL DATABASE

The following is the list of all ICF International Technical Officials (ITO) that currently have a valid ICF issued card excluding Canoe Slalom. This list has been directly exported from our Sport Data Platform (SDP) on **4 October 2019** and will not contain any data inputted afterwards. For the latest information or if you would like to renew your ITO credentials, please contact your national federation.

The list is sorted by NOC code with following information: Unique ICF number, last name, first name, gender, associated national federation discipline, and date of expiration.

Since January 1, 2019 ITO across all discipline are valid for 4 years once renewed. Further, the ICF automatically renews all discipline for people with multiple credentials without any additional renewal fee.

*For Canoe Slalom (International Judges List) please see separate document.

*If you have a valid ITO card that is not expired but do not appear on the following list, please contact hoichan.kwon@canoeicf.com with proper details.
