## 18. Team events – rules reminder

### A. Start procedure

10.1.4 - In the team runs, all boats must be stationary. The boat in the start gate must activate the timing of the run. The boat can be either A, B, or C

### B. Enquiry

11.1.2 - In team events, one (1) enquiry per team will be allowed.

11.1.3 - A National Federation may enquire on another National Federation one (1) time during the entire competition.

**The entire competition consists of team events and individual events.**

## 19. Individual events – race information

### A. Pre start procedure

- There will be a clock facing upstream into the warm-up area showing the race time and the next athletes to start.

### B. Start

- The start is located on the river left in the eddy.
- Athletes must start facing downstream in front of the backdrop.
- At the start, there will be a countdown clock showing the time to start. There will be an acoustic signal (10 seconds before start - 4 shorts, 1 long - start).
- Athletes must start within 3 seconds of their start time.
- At all times, the athletes must follow the Starter's instruction or they may be disqualified for the run.

# #ICFslalom

## C. Finish

- Athletes must exit via the stairs on river left to pass through equipment control, kiss and cry and the mixed zone.
  - Athletes must not leave the finish zone until dismissed by the Equipment Control Judge once they are no longer needed for the ceremonies, anti-doping or equipment control.
  - During the finals, the leading athletes must proceed to the “Kiss and Cry” area located after equipment control where TV will interview them.
  - There will be access to the broadcast feed in this area. If they drop out of the lead the new leaders will replace them.
- They then proceed via the mixed zone back to the Athlete area.

## 20. Technical Video Service – set up schedule

- The Technical Video Service will be available at the TVS room (#13, venue map) from 14.30 on Monday 15 July.
- Please ensure your team comes between 14.30 and 16.30 on Monday 15 July to check their equipment with the signal.
- Remember: to ensure all the systems are working under full load, Teams need to be set up at least 30 minutes prior to the competition each day – even if you are not competing until the afternoon.
- During demonstration runs **only** the full-length runs will be filmed and distributed.
- Team members must stay outside the camera view during the filming of demonstration runs.
- The TVS coordinator will define the switch positions between each camera after the full-length demonstration run in consultation with National Federations in the TVS room. Once decided this switch plan must remain the same during the relevant phase of the competition.
