Dear Friends...

We would like to welcome to Auronzo di Cadore all the athletes, technicians and managers who will participate in the 2023 ICF Junior and Under 23 Canoe Sprint World Championships, scheduled from 04 to 09 July 2023 on Lake Santa Caterina.

For the first time in the history of Italian and world canoeing, this event will be hosted on an alpine lake located at 840m above sea level, in the splendid Belluno Dolomites.

The Host Organising Committee has taken up the enormous challenge of organising an event in the full meaning of environmental sustainability: the "open-air" sports facility that everyone will be able to observe is the result of years of experience and many investments by the municipal administration of Auronzo di Cadore.

At the end of the event the typical panorama will return to that of an alpine lake.

It is a huge organizational effort that we hope will be appreciated by the athletes, the institutions and the International Canoe Federation.

Long live Auronzo, long live the canoe!
