## CONDOMAR Municipo De Gondomar

### Official Invitation

It is with great pride that we welcome you to the 4th Gondomar International Regatta – Cláudio Poiares Trophy, an event that has been establishing itself in the canoeing scene in Portugal and beyond.

Organized by Clube Náutico de Marecos, in partnership with the Portuguese Canoe Federation and the Municipality of Gondomar, this regatta is part of the club's anniversary celebrations and pays tribute to Cláudio Poiares, a young canoeist from the club whose memory continues to inspire generations. The trophy that bears his name symbolizes resilience, dedication, and unity – values that define this competition and the community that embraces it.

The Douro River, with its unique beauty and natural challenges, will once again provide the perfect stage for an event marked by sporting excellence, camaraderie among athletes, and the celebration of canoeing.

To all participants, we wish a memorable regatta, with good conditions, competitive spirit, and unforgettable moments in Gondomar.

#### Good luck and see you soon!

### Discover Gondomar

Located on the right bank of the Douro River and just a few minutes from the heart of Porto, Gondomar is a municipality that combines natural wealth with strong traditions. Known as the "Capital of Goldsmithing," it preserves a deep artisanal legacy, being famous for its gold and silver filigree – a meticulous art that enchants everyone who discovers it.

But Gondomar is much more than tradition. With a stunning riverside front, the Douro offers breathtaking scenery and privileged conditions for water sports, boat trips, or simply moments of contemplation. Its banks host river beaches, green parks, and walking trails that invite you to explore nature.

Highlights include the Chapel of São Miguel do Castelo, the Parish Church of Valbom, the Filigree Museum, and the vibrant riverside area of Melres, where the Douro reveals itself in all its splendor. Local cuisine, especially river fish and Douro culinary traditions, completes an authentic and memorable experience.

In Gondomar, history, culture, and sport live side by side, making each visit unique.
