NEWS FROM SLOVENIA

FOR THE LOVE OF (WATER) SPORTS

Slovenia might be among the smaller countries in the world, but what it lacks in size, it makes up for in its diversity. It is the place where **the Alps, the Mediterranean, the Karst** and **the Pannonian Plain** meet. This results in an outstanding variety: in terms of the landscape, culture and **gastronomy**. The world's first **green destination** will also award you with an array of exciting outdoor adventures, which take you through lowlands, highlands, and mountains. All of this is at your fingertips when in Slovenia, no matter the season.

Outstanding nature, which creates a perfect natural playground, is also the reason, why Slovenia is the homeland to so many top athletes, among them also Olympic medallist **Benjamin Savšek**, and a top host of global sports events, such as **the 2023 ICF Canoe Slalom World Cup Ljubljana-Tacen** ❤️.
