

ICF CANOE SPRINT & PARACANOE
WORLD CUP
SZEGED 2023

LAST INFO
SZEGED, 11 - 14 MAY 2023

DEAR FRIENDS, DEAR FUTURE GUESTS,

It is a great honour for the Hungarian Canoe Federation to welcome again the world-class competitors of canoeing, the coaches, sport leaders, media representatives and last but not least, the fans in our country, in Szeged!

It is a special pleasure that the first international sprint and para canoeing competition of 2023 – which is an important year of the Olympic qualification - can be hosted by the legendary Maty-ér.

The last time we hosted a World Cup in 2021, everything was different. The pandemic put us all in an unprecedented, difficult situation, where we had to comply with stricter rules than ever before in order to stay healthy.

Although we have stood our ground in the most difficult period, now it is the time to put the pandemic behind us and in a few days, we hope to bring the celebration of the sport of canoeing back to the City of Sunshine.

This year is all about making quotas in both sprint and para canoeing. For many, the World Cup is one of the main tests before the World Championships in Duisburg. That is why we assure the athletes of our very best service, so that they can enter the starting machine as if an Olympic quota was at stake.

On behalf of the Hungarian Canoe Federation and the Organising Committee, we welcome everyone to the Maty-ér between 11-14 May! I wish you all good luck at the World Cup!

Friendly regards,

Bálint Szakács
