# 1 GENERAL INFORMATION

## 1.1 Province and City

### 1.1.1 Sichuan Province

Situated in southwest China and on the upper reaches of the Yangtze River, Sichuan is renowned as the “Land of Abundance”. It covers an area of 486,000 square kilometres and borders with seven provinces (including autonomous regions and municipalities directly under the central government), namely, Chongqing, Guizhou, Yunnan, Xizang, Qinghai, Gansu, and Shaanxi. The province has a permanent resident population of over 83 million.

Boasting a long history, Sichuan is the cradle of ancient Shu civilisation, and the place where “Jiaozi”, the earliest banknote in the world, was born. Shu Brocade and Sichuan Shadow Play have been included in UNESCO’s list of intangible cultural heritage. In particular, the sites of Sanxingdui Site and Jinsha Site epitomise the resplendent and mysterious civilisation of ancient Sichuan.

The province also abounds in tourism resources. Among the 26 global tourism resources and brands, there are 3 World Natural Heritage Sites including Jiuzhaigou Valley, Huanglong Scenic and Historic Interest Area and Sichuan Giant Panda Sanctuaries, 1 World Cultural Heritage Site (Mount Qingcheng and the Dujiangyan Irrigation System), and 1 World Cultural and Natural Heritage Site (Mount Emei and Leshan Giant Buddha Scenic Area).

Sichuan is active in external exchanges. As of December 2024, it has established friendly relations with 500 provinces/states in 87 countries/regions, and economic and trade relations with over 200 countries/regions. A total of 381 Fortune Global 500 Enterprises have

It is also an important centre of economy, science and technology, finance, cultural creativity, and international exchanges in China, and an international hub for comprehensive transportation and communications.

Today’s Chengdu values opening up with global vision. In total, 23 countries have been approved to establish consulates in Chengdu. And the city has established sister-city and friendship city relations with 113 cities around the world, and trade relations with 235 countries/regions worldwide. It is also selected by UNWTO as China's Best Tourist City. Tianfu culture, the bedrock of Chengdu's city culture, has been nourishing the people and the city with the spirits of valuing innovation, creativity, elegance, fashion, optimism, inclusiveness, friendship, and public welfare. #### 4.1.10 Competition Rules ([for more information see link](#))

The canoe marathon events will be organized in accordance with the latest ICF competition rules.

##### 10.4.1 - The following procedures will then apply for the respective starts:

###### 10.4.1.a - Stationary start and Grid start •

- The Starter must ensure all boats are stationary on the starting line or grid line; •
- When the Starter is satisfied the line(s) are stationary they will give the start signal as described in the event information
- If an athlete commences paddling before the start signal he/she has made a false start; •
- An athlete who attempts to start before any instruction is deemed to have made an unfair start
- An athlete who attempts an unfair start will be warned;
- **A second warning for the same athlete will result in the imposition of a 30 seconds time penalty;**
- **A third warning for the same athlete will result in the athlete's disqualification from the event;**
- A disqualified athlete must leave the water immediately.

##### 10.11 Finish

10.11.1 - The boat has finished the race when its bow crosses the finish line with all crew members in it.

10.11.2 - If two (2) or more boats cross the finish line at the same time they receive the same classification.

##### 10.9.2 Assistance

- An athlete may receive assistance from bank support crews, as long as it does not impede other athletes, but may not gain any advantage. **All assistance must be given from the bank, except for safety reasons. Such assistance is limited to first aid services, provisions of food, drink and clothes, replacement of faulty equipment including paddles and help with repairs.**

## 10.12 Disqualifications and penalties

10.12.2 - Should an athlete have failed to follow the correct course of the race (for example missed a turning buoy) the athlete has broken the racing rules will be subject to a penalty:

10.12.2.a - If the Race Umpire believes the athlete has gained **a small advantage on other athletes: Time penalty of 15 seconds will be given;**

10.12.2.b - If the athlete **has gained a major advantage a disqualification (DSQ) will be imposed;**

10.12.2.c - Should a buoy be missed as a result of a collision in group racing during a turn this will be investigated and the boat that caused the collision will be penalised or disqualified (DSQ), see article 10.12.3

10.12.3. The athlete who missed the buoy due to collision will not be penalised.

### 10.12.3 - Collision or damage:

10.12.3.a - Any athlete who is considered by a Course Umpire or Race Official to have been responsible for a collision (as defined in rule 10.7.3), or who damages the canoe or kayak or paddle of another athlete or unnecessarily deviates from the direct racing line or deliberately blocks the path of an athlete may be penalised or disqualified;

10.12.3.b - If it is considered that other paddlers have only had some minor disadvantages compare to other athletes as a result of the incident the responsible athlete will get a time penalty of 30 seconds;

10.12.3.c - If it is considered that the incident has given other paddlers a major unfair disadvantage the penalty will be disqualification (DSQ).

10.12.4 - Boat control infringement: Should an athlete/crew have completed a race in a boat which is shown upon inspection does not conform with the ICF rules will be disqualified (DSQ) from the race.

10.12.5 - Any athlete who is accompanied along the course by other boats which are not in the race will be disqualified (DSQ) from the race.

### 10.12.6 - Handling of penalties:

10.12.6.a - Time penalties as decided by the Chief Course Umpire are not subject to appeal and must be taken at the earliest opportunity during the race;

10.12.6.b - Time penalties must be executed in a designated area at the portage and supervised by a Race Official or will be added to the athletes finishing time if a time penalty stop is not used in the competition;

**10.12.6.c - Disqualifications are decided by the Competition Committee and are subject to an appeal.**

10.12.7 - If an athlete is observed by a race official **to discard any waste item or rubbish such that it ends up in the water**, they will **receive a 30 second penalty**. The decision is to be confirmed by the Chief Course Umpire and cannot be the subject of an appeal.

10.12.8 - All penalties or disqualifications must be confirmed by the Competition Committee in writing immediately, giving the reasons. The Team Leader of the athlete/team must acknowledge the receipt on the notice copy with the exact time, which marks the start of the protest time.

10.12.9 - Failure to deliver the copy confirmation of the disqualification to the Team Leader does not invalidate the disqualification.

## **Protest**

11.1.1 - A protest against the right of an athlete/crew to compete in a race must be addressed to the Chief Official and handed to the Competition Committee, not later than one (1) hour before the start of the race of the competition.

11.1.2 - A protest made during a competition must be in a written form, addressed to the Chief Official and handed to the Competition Committee not later than 30 minutes after the last of the athletes involved in the incident have:

11.1.2.a - Completed the course; or

11.1.2.b - Retire from the race.

11.1.3 - The organisers should be permitted to commence issuing preliminary results and carry out award ceremonies after the first three (3) athletes of the class have completed the course.

11.1.4 - If the protest is against a decision of the Competition Committee, the protest must be received not later than 30 minutes after the Team Leader is called to attend the Competition Committee to receive the written disqualification.

11.1.5 - The Competition Committee must note the time that the Team Leader is called to attend the Competition Committee on the written disqualification.

11.1.6 - All protests must be accompanied by a fee of 75 Euros (or an equal sum in the local currency). The fee will be refunded if the protest is upheld.

11.1.7 - Should an incident be witnessed by Race Officials and action is being considered there should be a public announcement as soon as possible to notify teams and spectators of the situation.

11.1.8 - The decision of the Competition Committee on a protest should be reported to the Team Leaders concerned within 30 minutes of the protest being received

**Not all athletes have a team leader and they can do this themselves or delegate it to another team leader whose team is not involved in the protest.**

Requirements for advertising on equipment and clothing for ICF Marathon competitions are detailed in the ICF Guidelines for Advertising Trademark Identification on Equipment Manual.

Any boat, accessory or article of clothing which does not comply with the above-mentioned conditions will be ineligible for use during the competition.

Teams are responsible for their own equipment.
